**(David Nova)** The internet is buzzing over the recent Saudi purge, hundreds of sealed indictments in 24 US districts, as well as the curious/cryptic intel drop on 4CHAN. What does any of this mean? Does it relate to Trump's cryptic message: "Maybe it's the calm before the Storm." We may have to wait to find out.

### Massive Intel Drops on 4Chan by Individual(s) with Highest Level 'Q' Clearance

Source: [True Earth](#)

Now I am not going to say whether or not any of this is true but I do want to pass it along just for everyone's information and discernment. An emphasis on discernment...

These last few days someone(s) have been posting on 4Chan, a forum website kinda/sorta like Reddit or Voat. Many amazing pieces of intel have previously been dropped on there by people 'in-the-know' (i.e. PizzaGate, etc.) and this last dump has really made some waves in the truth community. Some of the things listed here don't make much sense to me so I would ask that everyone refrain from asking me what everything means.

Just a note, it is very difficult to navigate through 4Chan and I hope I simplified all of this information in a way that is easily accessible and understandable. It is really the perfect place to drop intel as I imagine most people couldn't really locate it unless you have experience with it.

Another note, I did not include every piece of intel as some of it doesn't make much sense as it requires further research. I mostly included the most interesting drops. You can find the rest at the links provided. [[READ MORE](#)]

Pentagon sources sent the photos below showing Hillary Clinton and U.S. Senator John "Daesh" McCain "in custody wearing orthopedic boots to hide GPS ankle bracelet on their right leg."

The fact is that most politicians in Washington, D.C. have become very rich since joining politics, in ways that cannot be remotely justified by their salaries. This means most have been bribed, and that is why most of them are going to go to jail. House Minority Leader Nancy Pelosi has been deliberately acting senile in public recently in order to have a medical excuse to avoid arrest, NSA sources say.

**Question -- What is the goal of this website? Why do we share different sources of information that sometimes conflicts or might even be considered disinformation?**

*Answer -- The primary goal of **Stillness in the Storm** is to help all people become better truth-seekers in a real-time boots-on-the-ground fashion. This is for the purpose of learning to think critically, discovering the truth from within—not just believing things blindly because it came from an "authority" or credible source. Instead of telling you what the truth is, we share information from many sources so that you can discern it for yourself. We focus on teaching you the tools to **become your own authority on the truth**, gaining self-mastery, sovereignty, and freedom in the process. **We want each of you to become your own leaders and masters of personal discernment**, and as such, **all information should be vetted, analyzed and discerned at a personal level**. We also encourage you to discuss your thoughts in the comments section of this site to engage in a group discernment process.*
